

BETTER SAIL IN AN UNCERTAIN WORLD

POWERED BY UNISK & FLEXI SAILING

When was the last time the **weather** was diverging from forecasts?
What are we currently learning on our **planning strategies**?
How can we **adapt strategy and tactical choices** in this moving universe?

A land - sea - enterprise immersion

Live a **transforming experience** with your team.

Learn to better **deal with uncertainty**.

Adapt in **real-time** to the **changing realities** of the environment.

Develop more efficient **individual and collective competencies**.

1-DAY formula

SEA CHALLENGE

Learning sailing by iterations
Continuous improvement of your crew
Manage an onboard incident
Cooperation between boats

2-DAYS formula

SEA CHALLENGE

&

LAND CHALLENGE

WORKSHOP
LEGO® SERIOUS PLAY®

Boost your collective creativity to define your real-time strategy.

➔ Let yourself be accompanied by our coaches.

YOU WILL LEAVE WITH

NEW PROCESSES OF REAL-TIME NAVIGATION WITHIN YOUR COMPANY
Depending on your company's weather.

A TEAM MAP
A mapping of your crew's talents, essential during a period of crisis.
